

VISION AND MISSION STATEMENT

Vision

Company's vision is to be the leading provider of Ship Management Services to the Marine Industry, with maximum transparency, by promoting our safety culture and by realizing maximum efficiency through superior management.

Enhancing the level of service provided to our clients by following ISO 9001:2015, ISO 14001:2015 standards in addition to the ISM Code requirements.

Mission

To safely and efficiently operate and manage ships, without causing any untoward incidents and any spillages to sea.

To prevent human injury, loss of life and to avoid damage to the environment by pursuing a policy of zero accidents and zero spills.

To keep our ships on hire, running economically and in optimal condition whilst maintaining a total commitment to safety and to the protection of the environment, making all efforts to keep permitted emissions to the lowest possible level.

Providing a safe and happy working environment for our crew.

We develop and support a culture of HSSE excellence and the system of highest integrity and competence to deliver our promises to our clients.

Complying with all rule requirements that are applicable to its managed ships

To build a long lasting relationship with our customers and employees and to continuously aim to excel industry's highest standards.

The Company's Mission statement is:
Safety first - safety is our priority in everything that we do.

Targets

In compliance with our policy of continued improvements, we have a long-term target of zero accidents and zero spills or releases to the environment, reduction in permitted emissions will be achieved through the establishment of a strong HSSE culture.
